

Foreword

To dream the impossible dream — the words to this song were in our minds throughout the planning of the yearbook with the hope that the faculty and students of Hammond can dream their dreams and at least try to fulfill them. As you look through the pages of the Spotlight, the staff hopes that you will enjoy the book and the memories included in it.

Dedication

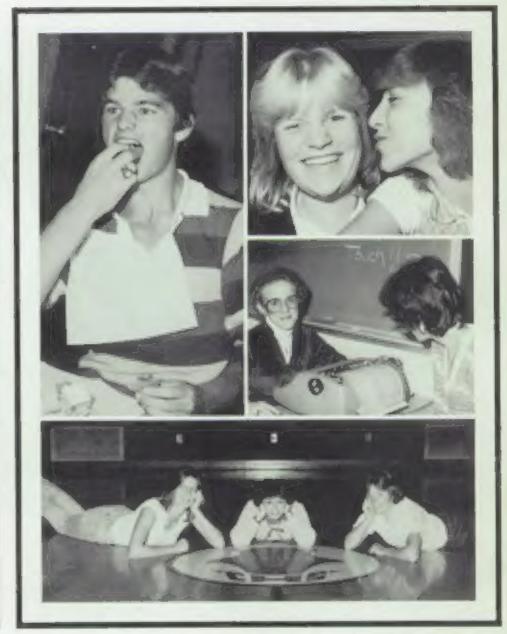

This year, the class of 1982 proudly dedicates the Spotlight to our families. Throughout our lives, they have given us support, knowledge, and acceptance. They have dealt with the good times and the bad times with love and understanding. With their help, we are now ready to venture into a new life and eager to fulfill our dreams. By dedicating this yearbook to our families, we hope to express our thanks and gratitude for the love and support they have given us.

To the class of 1982

Special "Thanks" for Mrs. Katherine Hannan . . .

Through eya dedication love, and understanding Mrs. Hannah guided us nour preparation of this yearbook. We spent many long hard hours creating this yearbook with the staff working together and istening to suggestions. As each page was finished, we felt a feeling of satisfaction and gratitude which made us proud to be working with Mrs. Hannah, Halfway through the year, Mrs. Hannah became iii, and we wondered if we could finish the yearbook without her.

We finally continued our work on the yearbook and put to use at the skills and knowledge Mrs. Hannan had given us. So as we finish this yearbook, we would like to say, "Thanks to you, Mrs. Hannan, this yearbook was completed and is something we can be proud of."
